Agenda

NKS International webinar 2021

16th November, digital Zoom-meeting

**How Covid-19 has affected public works in
the Nordic countries**

The subject of the webinar is how Covid has affected public works in the Nordic countries and how Covid has affected the transportation system in the Nordic cities.

Listen to experienced speakers from Sweden, Norway and Denmark and Finland and find out the differences and similarities between the countries and what effect that might have on future planning.

The webinar will be free and open for members from respective countries public work association. There is a limitation to 500 people so the registration will close if attendees reach that cap.

A warm welcome from the NKS collaboration!
